

What We Did Together

COMPASSION *into* ACTION

MISSION RECAP

How the FANAS community came together to serve

FANAS

Filipino American Nurse Anesthesiology Society

Est. 2023

The Impact We Made

- 1505 patients served
- 160 surgeries performed
- 80 CPR sessions
- 166 Blood Donations
- 284 Dental Services
- 84 Circumcisions
- 546 Medical consultations
- 170 Students received school supplies & Jollibee meal
- 95 volunteers united

Every number represents a life touched.

Service in Action

FANAS volunteers provided:

- Anesthesia support
- Patient care and screenings
- Community health education
- Collaboration with local healthcare teams

Together we brought knowledge, care, and compassion to the community.

The Heart of the Mission

Why It Matters

"Being able to give back to the community that shaped our roots was an honor. Compassion in action means showing up where care is needed most."

Thank You To Our Community

This mission was made possible by:

- **Our dedicated volunteers**
- **Our generous donors**
- **Our partners in healthcare**
- **The entire FANAS community**

Your support turned compassion into real impact.

Be Part of the Next Mission

FANAS is building a community of nurse anesthesiology professionals committed to service, mentorship, and impact.
